The MAYA Perinatal Mentor Training is an eight-week training program that teaches skills for supporting parents during pregnancy, birth, and postpartum, including how to facilitate groups and teach classes.

The format is one two-hour Zoom call per week and eight hours of volunteering to provide parent support. Live participation in the calls is preferred. If you are unable to attend a call, contact MAYA for a link to the recorded call. You will also have the opportunity to observe and/or assist with our core classes during the internship. After successfully completing the internship program, you will have the opportunity to work for MAYA teaching classes or offering one-to-one mentoring.
